KICK OFF 2PM

FOR THE VOICE

Welcome everyone to Rugby Borough FC for today's game. I would also like to welcome all the London Bees Staff and players.

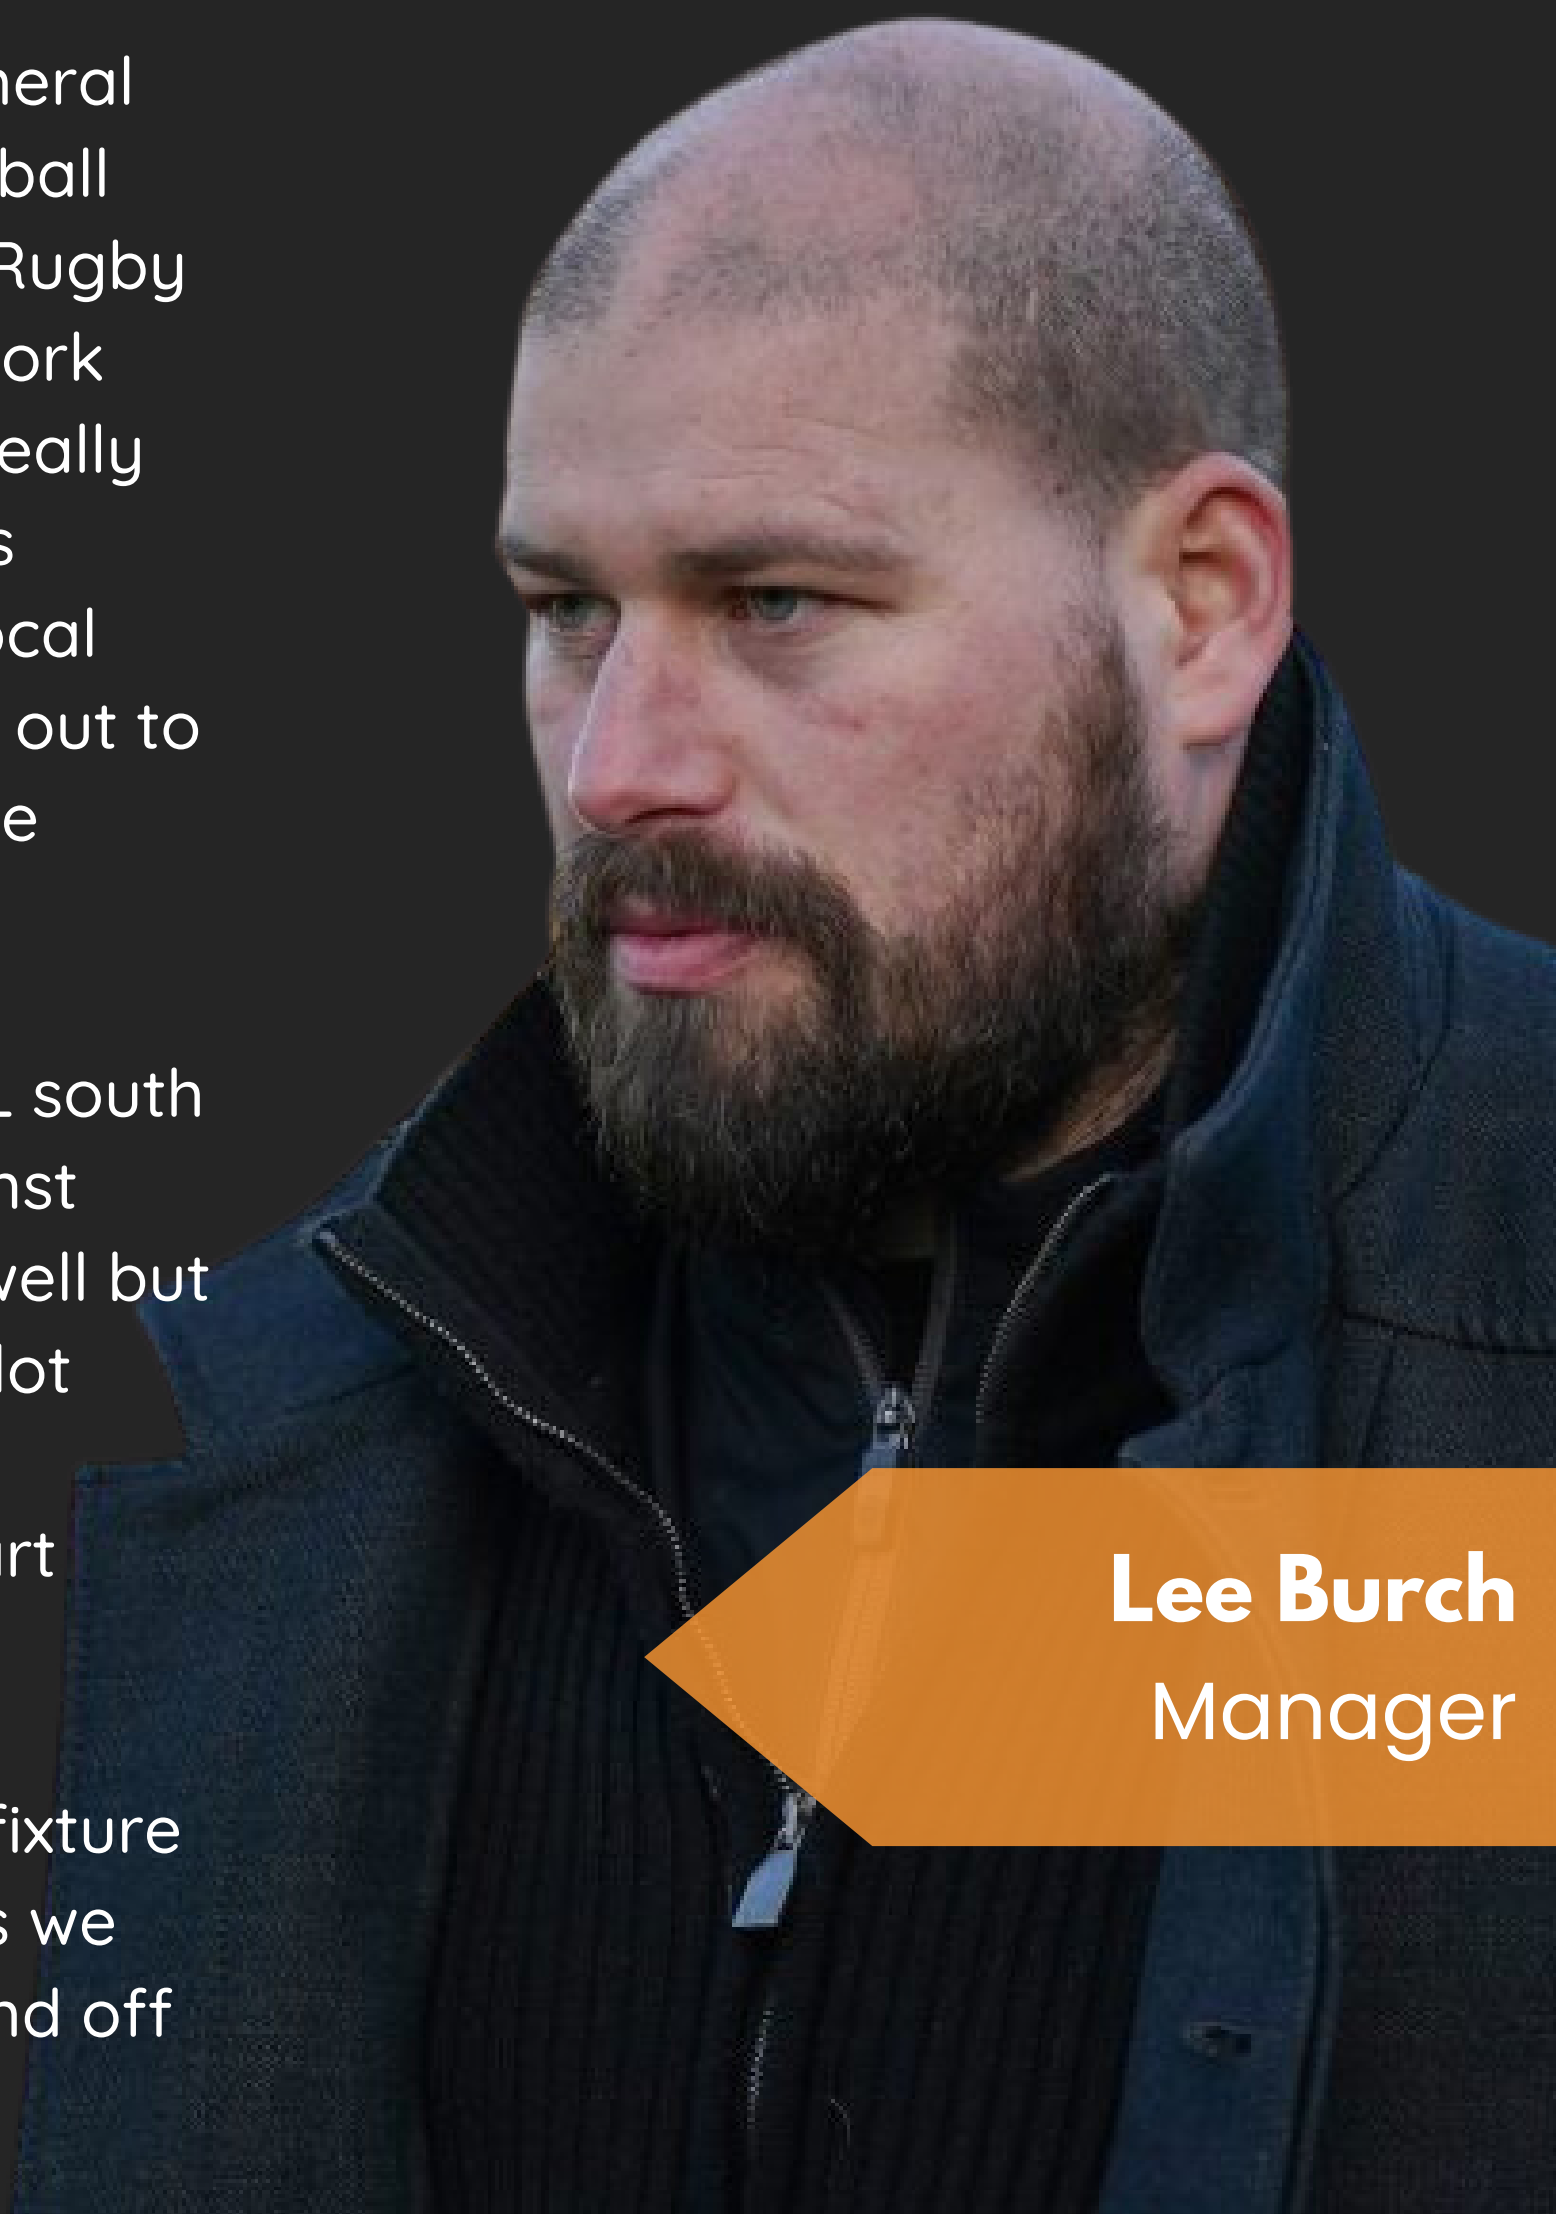

Firstly hopefully we are celebrating a World Cup victory for England in today's Final. It's been a fantastic tournament in general that has shown the growth of the game across the world.

We have worked hard over the summer to bring in a lot of new faces and retain some key players from last season. Even with the big turnover I have been really pleased with how preseason has gone and how we have been able to start to gel the squad. I am sure you will get to know the new faces of the team as we go throughout the season. One returning face is Ebony Wiseman, who we have named our team captain with Lucy Whipp (vice) and Katy Morris (Club Captain) supporting her. A strong core group of players who will be key in driving our values.

A big thank you to my staff, General Manager and Owner of the football club as well as everyone at the Rugby Borough facility for their hard work throughout the off-season. I'm really looking forward to creating links within the community and our local youth sides and hope you come out to support and create a good home atmosphere.

Today's game starts our FAWNLSouth season with a tough game against London Bees. It's a club I know well but like us they have transitioned a lot over the past few seasons and will be eager to start their own season off well today.

I hope everyone enjoys today's fixture and keep spreading the word as we continue to grow as a club on and off the field.

Lee Burch
Manager

FOR THE VOICE

A very warm welcome to the Nationwide Windows Arena for our first ever game as Rugby Borough FC Women, following our transition across from Coventry. We have been very warmly welcomed and are excited for what lies ahead as we look to bounce back to Barclays FA Women's Championship at the first attempt.

We believe we have assembled a squad that will not only be good enough to challenge at the top of the league but also play an exciting and entertaining brand of football.

The Women's game continues to go from strength to strength and as England's success has yet again demonstrated and now is very much the time to get involved. If your business or anyone you know would like to get involved and become part of our journey, please reach out to info.women@rugbyboroughfc.co.uk and we can start to explore working together. I am already delighted to say that energy company Eon are becoming our first major partner signing and we look forward to working with them during the course of the season.

We will also be launching a range of initiative in the coming days and weeks including a 50/50 club, live streaming and a range of merchandise.

For now though, enjoy the game and hopefully we will be able to celebrate both 3 points and a World Cup win for England by the end of the afternoon!

Jack Heaselden
