THE VOICE OF

Welcome everyone to Rugby Borough FC for today's FAWNL game. I would also like to welcome all the Cheltenham Town staff and players.

Last week's FAWNL Cup performance against Swindon was good, with some squad rotation and opportunities for important minutes for players. I felt we controlled the game and built on our identity and how we want to play.

It was a good competitive debut for Freya Upson in goal who made some good early saves and Georgia Robert also made her debut off the bench. Further goals by Lily Greenslade, Angelina Nixon and Katy Morris saw us win the game and progress into the next round where we will play Hashtag United away.

Today, we are back in league action against Cheltenham. Cheltenham play good football, have a clear goal threat and we will have to be at our best to get the result we want. Cheltenham have also been involved in the most goals out of any team in the league so today's game should be an entertaining one.

I hope as always everyone enjoys today's fixture and thank you for your continued support.

FOR THE VOICE

Well, here we are again, for what feels like our 200th home game in a row! A warm welcome to the staff, players and supporters from Cheltenham, as we look forward to this FAWNLI fixture. Also, a big hello, if you are tuning into our new live stream service, from near or far.

It's been another busy week off the field, which included a team meal last Tuesday evening, following a day of video content with a new sponsor. Look out for an exciting press release in the coming days. Speaking of busy weeks, the week ahead features a mid-week trip to face Milton Keynes Dons. The venue has unfortunately changed however, and the match will now take place at Weston Park, Blue Cross at 7:45pm.

There is also a very likely chance that our following two away games, against Ipswich in the league and Hashtag in the cup, will also be altered, so stay tuned to our socials for any updates.

Your support, here at the Nationwide Windows Arena has proven invaluable and we are working hard at attracting new fans to come and see this amazing team! I make no apology for leaving the bottom half of this column the same as last week, as it's vital that we encourage new commercial partners.

As ever player sponsorship remains available, so please do look to support our quest to be the best Independent Women's team in England.

There are also opportunities for larger businesses to come on board and join our journey, with a whole range of sponsorship opportunities available from £500 to £50K. If you would like to be part of the growth of Women's and girl's football, please do get in touch.
