THE VOICE OF

Welcome everyone to Rugby Borough FC for today's FAWNL game. I would also like to welcome all the Hashtag United Staff and players.

Five wins from Five across all competitions, top of the league, three clean sheets, countless debuts and also appearances from our player pathway is a great start for us as a club. Showing all our early hard work paying off. Having said that it's only the start and we know we also need to go up a gear or two in certain areas. We will work to improve, not get ahead of ourselves and take one game at a time.

Today's opponents Hashtag United have also had a blistering start to the season with today's game seeing the two informed and confident sides going head-to-head at the top of the table. As a staff we spoke pre-season about the division, and we highlighted Hashtag as the dark horse with the quality of players they have as well as their momentum from last year's tier 4 title win. I think both teams were written off at the beginning of the season and This afternoon's game will be full of attacking quality and we are really looking forward to testing ourselves again.

A big thank you to all our sponsors that have started to come on board as we grown in Rugby and further afield. I hope everyone enjoys the match today.

THE VOICE OF

Good afternoon and a very warm welcome to what surprisingly is only our third home game of the season! Time is flying by though and Autumn is already upon us. The games have been coming thick and fast and so far we have managed to pass each test with flying colours. I am sure we are in for yet another kind of challenge today against high flying Hashtag. Hopefully you will be in for an entertaining game and of course another win for Borough!

As you will see below and the previous pages, we have a number of opportunities still available to become a player sponsor.

We would love to welcome you as either an individual, group, family or business to join our journey and help push both the brand awareness and commercial success of the club. If your favourite player is taken, don't worry, they can have more than one!

Keep your ears open (that's a clue) for an exciting partnership coming very soon but in the meantime.....
