THE VOICE OF

Welcome everyone to Rugby Borough FC for today's FAWNL game against MK Dons. I would also like to welcome all the MK Dons staff, players and fans.

A quick turnaround as we are back in action after Sundays game. While I do enjoy games under the lights, it's a bit frustrating when both us and MK Dons have Sundays off, and could have played at the weekend. I'm not sure how these games help protect players etc. but that's an issue for another time.

Sunday wasn't a vintage performance. I think we looked a bit rusty after a week off and took a while to get our basics going. When we did, we caused Billericay a lot of problems and I was pleased with the quality and type of goals we scored. They are a tough side with some very good players and we had to work hard to get the three points again.

Today's opponents, MK Dons, come here with mixed form having won three, drawn one and lost three of their last seven league games. However, they did beat us away 1-0, on an evening when the officiating will unfortunately live long in my memory. We have learnt a lot about the league, ourselves and the teams in this division since. We set ourselves a target and aim to make sure we better every result the 2nd time around against every opposition, which we have done (ok Plymouth was 6-2 and then 4-2, but that's being picky!).

Squad wise, we continue to be in a good place and are just monitoring players as we head into the back end of the season. Mia Malone is back available and it was great to see Sam return with a goal on Sunday.

I hope you enjoy this evening's game!

THE VOICE OF

It was a good feeling to be back at home this past weekend after a couple of months of being on the road. We loved seeing the fans back at the Nationwide Windows Arena and showing them what we had been working on all week in the lead up to Billericay. Us as a group wanted to kick on from our recent performances and show that coming to Rugby will be a difficult place to come having only lost at home twice this whole season.

Overall, it was very pleasing to have won 4-2. We showed a lot of attacking threat with Lily and Yas being amongst the goals and assists. Ultimately, a good win and performance for us to keep pushing towards the top of the table and more positives to take in today's game against MK Dons.

Buzzing to be back at home under the lights tonight. It was an extremely difficult game against them at there place, having gone down to 9 players. Officiating decisions were very questionable and led to us being under the cosh from the first-half and onwards. Credit to the girls and our desire to still put in a performance we were proud of and definitely deserved more than we got. We're ready for a physical battle and know they have some strong attacking forwards.

The support from the fans hasn't gone unnoticed and we can't thank them enough. We hope you enjoy the game tonight, and we can go out and put on a performance they will be proud of and continue to push higher up the table.

Walk in her Name Campaign

by Ovarian Cancer Action

Rugby Borough Women are taking part in the Walk in her Name campaign, supporting Ovarian Cancer Action UK. The team will also be wearing warm-up tops in support.

The organisation aims to transform survival rates of ovarian cancer. They focus on development of three key areas these being: knowledge, breakthroughs, and fairness.

The organisation wants to improve women’s knowledge on ovarian cancer, particularly the symptoms of it as well as developing ground-breaking new treatments and screening programmes. They also want to ensure that all women can have equal and fair access to these treatments regardless of age ethnicity or location.

DEVELOPMENT TEAM

This season has seen the implementation of the RBWFC Development Team. The Development Team consists mostly of the RBWFC U18's and these players have performed remarkably at a very challenging level. The Development Team play in the FA Women's National League Reserve South East & Central Division against the likes of Watford and QPR.

The role of the Development Team is to provide a pathway for the young players at RBWFC to move into the First Team, and with the amount of talent at the younger ages, it won't be long before we see some home-grown players representing the Borough!

As the season draws to a close with only three remaining fixtures, the team will be travelling away to both AFC Sudbury and Billericay Town. But first they host Billericay on the 24th March, the same day the First Team travel to Portsmouth, so if you need a football fix and can't travel to the south coast, come and support the Development Team at their last home game of the season.
