HEAD COACH: LEE BURCH

Welcome everyone to Rugby Borough FC for our first FAWNLC home game of the season.

I would also like to welcome all the Liverpool Feds staff, players and fans.

The season is officially underway after our successful pre-season, winning all of our games and welcoming new faces.

Reflection on last year was a key part of our preparation and overall, we were pleased as a group with third place and a trophy in the cabinet after a thrilling county cup final win against Wolverhampton. Since then, The FA have moved us to a new division and will now play in the FAWNLC northern division. The challenge is how we improve our league position and continue to compete at the top against some big clubs with strong backing/resources. There's also a few more derbies. We are certainly looking forward to it!

We welcome Anna Pedersen, Evie Brown, Bethan Roberts, Kelis Barton, Rhianne Cleverly, Lucy Wood, Mai Moncaster, Rhianne Rush, Alex Madden, Megan Shaw, Karesha Iton and Alanta Brown into the squad. The nature of the women's game does mean considerable turn around in squads. However, we've maintained a solid core from last year to ensure consistency. I feel we have a really strong squad to compete on all fronts throughout the season. The new additions add a mix of experience, youth and quality to our group, but will have to compete to break into a team that was doing well. I'm looking forward to the challenge of managing such a talented group.

The quality already at the club showed last week with only two new signings (Anna Pedersen, Bethan Roberts) starting for our 10-0 opening day victory away to Halifax. There were hat-tricks from Yas Mosby and Nicky Potts, as well as goals from Jess Camwell, Ange Nixon, Katy Morris and an early goal of the season contender from Ebony Wiseman! It was a great start to the season and one we will look to continue from today. Liverpool Feds also had a promising start to the season with their 1-1 draw against West Bromwich Albion and I'm sure they will also be looking to build on last year's successes in this division.

Finally, a big thank you to those players that have moved on from last season, we wish them all the best.

We also look forward to continuing our growth off the pitch and appreciate all the support from the fans throughout the season.

About Liverpool Feds

Club History

Formed in 1990 Liverpool Feds Women originated from the Liverpool Institute of Higher Education, now known as Liverpool Hope University. Adopting the 'Feds' tagline because sports teams from the university's played as a Federation of the St Katherine's and Christ Notre Dame Colleges, the side entered the Northwest Women's Regional League.

Winning promotion in 2008/09 campaign the team went unbeaten for the duration of the league campaign winning 19 of the 22 games that season.

Heading up into the Northern Combination Women's league (tier 4) the club remained until a restructure of the pyramid in 2013 when the FAWNL was born.

Placed into the FAWNL Northern Division One (also tier 4) in the newly formed pyramid a move to a new home at Jericho Lane followed in 2018.

After two COVID-hit season, Leanne Duffy's side reach the Northern Premier Division. Pipping Newcastle to the Division One North title. A solid first season in the Tier 3 was followed by an improved 8th place finish in the 23/24 season.

As a self-funded, female only club ranging from U6 to Walking Football the Feds continue to defy the odds and will be looking for another improved finish in 24/25.
