## IN THE COMMUNITY

Eversfield Preparatory School started their day with a difference on Thursday, when Rugby Borough Womens FC first team players visited to deliver a school assembly to children in years 4, 5 and 6.

Senior players Katy Morris, Karesha Iton and Bethan Roberts spoke to the pupils about womens football, their personal footballing journeys and the teams upcoming FA Cup 3<sup>rd</sup> Round game on Sunday 8<sup>th</sup> December at home.

The schools football team had an important game of their own that day, and were delighted to find that the first team players would also be visiting their team separately to hold a Q&A session as well as coaching their training session before the fixture, of which they secured a 2-1 win!

*Through increased media coverage, engaging community events, and powerful player stories, the Equal FA Cup seeks to inspire the next generation of players and fans. It's about creating a culture where equality in sport is the norm, not the exception.*

“ Growing up the only women’s football on TV was either the soccerettes on Soccer AM or the Women’s FA Cup Final. I used to dream of winning the FA Cup with Arsenal F.C Now I dream of an Equal FA Cup for all.

“9 year old Rhian didn’t take no for an answer when my mum didn’t want me to play football and I’ve been the same ever since. If I was my twin brother, in the FA Cup 2nd round win my club would have earned £75,000, instead Rugby Borough WFC got £8,000.

“It’s the same cost for boots, kit, food, petrol, and rent. It’s the same effort, discipline, sacrifices, injuries, and magic but a big difference in how we’re valued.

The FA Cup is loved as every team has a chance on the pitch, the prize money should support everyone off it.

”

Financially an Equal FA Cup would be transformational throughout the women’s football pyramid and send a huge statement of how far our game and society has grown.
