Captain

Another welcome back to Kilsby! It's been a nice feeling to have 3 games in a row at home in front of our fans. The fans really do make the difference sometimes and we can always hear their support from the sidelines. Us as a collective are always super grateful for each and every one that comes out to support us week in week out so a quick thank you to you guys!

As a squad, it's been a busy three-game week with plenty of time spent recovering, taking on tactical information, and putting in work on the pitch. Very pleased with our performance in the Women's FA Cup and came away with a comfortable 3-0 win which saw a lot of our squad getting minutes in the tank. The Women's FA Cup is a special cup so we are happy to be through to the next round and looking forward to either playing Peterborough or Lye. Fast forward to mid week under the lights against Loughborough. It was a frustrating game where we had a fair amount of chances but couldn't quite put the ball back in the net and we all came away disappointed in a 0-0 draw. I can't fault the energy from the girls and we are ready to end this week with a positive performance and hopefully into the next round of the FA WNL Cup.

We're looking forward to another great atmosphere at home and can't wait to see everyone cheering us on. Your support makes such a difference, and we'll be giving everything out on the pitch to finish strong and make you proud. Thank you for being with us every step of the way this season — let's keep kicking on together and we look forward to seeing you this Sunday!

Boldmere St Michaels fc

ABOUT THE CLUB

The club was established in 1883 as a youth football team attached to the local church and soon progressed from playing friendlies against other church sides to playing competitive league football. As the boys outgrew youth football, they organised an open-age team, which played in various local leagues. In the 1947-48 season, they reached the semi-finals of the FA Amateur Cup, losing 2-0 to Barnet in front of 27,000 at Highbury. In 1949, the club joined the Birmingham & District League.

During the 1950s, the club's fortunes declined somewhat, as they resolved to remain staunchly amateur at a time when their rivals were becoming semi-professional. In 1963, the club moved leagues to the Worcestershire Combination, later re-named the Midland Football Combination, where they were to remain for thirty years.

The most successful period was during the 1980/90s, when they claimed the championship on three occasions (1985/86 under John Morris) and 1988/89 and 1989/90 plus two league cup triumphs in 1989/90 (the double) and 1990/91 (under Alan Parsons).

This level of success saw the Mikes become founder members of the Midland Alliance in 1994, where they played until 2013-14, generally finishing in the top half of the table.

Boldmere St Michaels fc

ABOUT THE CLUB

The club has won the Walsall Senior Cup on five occasions 1986/87 (under John Morris), 2005/06, 2006/07, 2007/08 (under Mick Bayley) and 2018/19 (under Stuart Grosvenor).

In the final season of the Midland Football Alliance, 2013-14 the club achieved its best position of runners up (under Stuart Grosvenor). The Mikes were the only club to play in all twenty seasons in the Midland Alliance, reaching the league cup final twice in that time losing on both occasions to Market Drayton Town and Stratford Town.

In 2014-15, they became founding members of Midland Football League Premier Division, scoring the first goal in the new competition in a 9-1 opening day win at Rocester.

The most exciting chapter in the club's history took place in 2016 with a total stadium refurbishment and the installation of the latest artificial turf pitches, including two new floodlit courts for training and small-sided matches. Vice-Chairman Ralph Simmons was the driving force in this major change. The project was funded primarily by private investment with the intention of securing the clubs future by investing in junior teams from age seven upwards.

Boldmere St Michaels fc

ABOUT THE CLUB

The Junior section was awarded the FA Charter Standard and made its first movement into Saturday Development football with two teams in the Midland Junior Premier League for 2017-18. The club has also been awarded Wildcats status as an FA affiliated centre for girls' football.

2017-18 also saw the launch of two new senior teams. Our new academy, which is run in partnership with BMet (Sutton College), saw our BTEC students entered into the National League Under 19 Youth Alliance, with the club also introducing an Under 21 team to bridge the gap to first team football, playing in the MFL Under 21 West Division.

For the 2018-19 season, the club introduced another senior team as a means of a more gradual transition to the senior section, which would operate in the Birmingham Football League. This team were entered into Division 2 of the League and won the division at the first time of asking.
The Junior section now has over 50 teams competing on both Saturdays and Sundays, and tow Under 18 sides playing in the Midland Floodlit Youth League. The floodlights installed in 1990 have recently been upgraded thanks to the generosity of Sutton Coldfield Town Council. A new dressing room block with additional facilities, such as a Club Shop and Player's Lounge has also been

completed and had its first full season in action for the 2021-2022 season. The clubhouse was completely refurbished during the 2019 season and there are further plans to renovate this area in the near future.

Managerial changes aren't common at the club. Current President, Alan Parsons, who was signed by John Morris in 1987, has held the hot seat for 16 years following Morris' departure to Halesowen Town. Rob Mallaband, the current Chairman, has had two spells split by Mick Bayley's three-year reign, whilst Stuart Grosvenor's tenancy lasted six seasons. In early September, the club Board decided a change of manager was required and following great interest were delighted to appoint former player Neil Kitching along with his assistants Nick Amos and Ian Cooper. The new management team have had a very impressive tenure so far, most recently earning promotion in the 2021-2022 season to the Pitching In Northern Premier League for the 2022-2023 season (Step 4).

Boldmere St Michaels also introduced a women's team in the 2019-2020 season, with the name change going through for the 2020-2021 season, from Birmingham & West Midlands Ladies to Boldmere St Michaels Women. The women's side also found success in the 2021-2022 season, winning the FAWNL Division 1 Midlands and earning promotion to the FAWNL Northern Premier League (Tier 3 of the women's game).

Educating & Validating Children Through Play & Football

TURN AND FACE
ALTERNATIVE EDUCATION THROUGH FOOTBALL

What's the Game Plan?

Not all children thrive in traditional education, and we understand that. Our mission is to support schools and Local Education Authorities (LEAs) in providing every child with the education they deserve.

Before children can truly engage with learning, they must first build self-identity, self-esteem, and confidence in their abilities. **TURN AND FACE** offers a unique way to foster this confidence, through football, mentorship, and fun. By creating trusting relationships with supportive adults and focusing on what children can do rather than what they can't, we help them develop the confidence to tackle challenges, whether it's maths, English, or the offside rule!

Our Partnership with Rugby Borough FC

Through our collaboration with Rugby Borough FC, we offer:

- Access to professional-level training facilities
- Coaching from inspiring female athletes who have achieved incredible goals
- A chance for children to feel valued and empowered
- Role models who prove that "yes, you can!" no matter the challenges life throws your way

To be part of the team

Contact: **Max** at **max.turner@rbwfc.co.uk** and reserve your place or chat about how we can help your young person

Fixtures

- Small group sessions (max. 6 children to 2 coaching staff)
- Mixed-gender and girls-only sessions available
- One-on-one support when needed
- Fully inclusive, disability is no barrier

TURN AND FACE!

This programme isn't about football ability, it's about helping children realise their potential and building meaningful connections with supportive adults.

What do participants receive?

- Rugby Borough FC training gear, just like the pros!
- Mascot experiences and half-time presentations
- Free match tickets to games

There will be challenges along the way, but just like the children, even the best players and coaches face struggles too. Learning to overcome them together is what makes us stronger.

Empowering the Next Generation

By focusing on validation, positive engagement, and resilience, we help young people develop the confidence to succeed, both on and off the pitch.
