Welcome to this evening's game against Loughborough Lightning!

It's great to have three home games in short space of time, competing in three competitions. As players it's exciting, as there's lots of minutes available to the squad and opportunities to progress in the league and cup competitions alike.

We had a good outing against Khalsa at the weekend, with a steady performance. We got the job done and into the hat and were looking forward to the next round. The FA cup is a competition which every player enjoys, and we've had exciting runs in it before. When we played Liverpool at home a couple years ago, although the result didn't go our way, the day was brilliant and I'm sure that any player that was a part of that day will say it's a highlight of their career with Rugby. The atmosphere and the support from the fans felt amazing and hopefully we can do well again this year to give something for the fans to really enjoy.

Today though, focus is back on the league, the most important competition. We're expecting to face a resilient Loughborough side, the girls are in good spirits and looking forward to a night under the lights. Hopefully here's to another three points and an entertaining performance for the fans to enjoy! Up the borough!

Loughborough Lightning

ABOUT THE CLUB

Loughborough Lightning, established in 2021, entered Tier 3 for the first time in the 2023–24 season and finished in tenth place under Head Coach Issy Martin.

At the end of that season, Director of Football Richard Allen left for a role in Japan, and Issy Martin moved into a full-time position with The Football Association.

The University appointed two key staff members: Charles Baxter from Ipswich Town Women as Head Coach, and Mat Stock from Wolves Academy as Football Programme Manager.

Despite their efforts, Lightning were relegated to Tier 4 and entered the Division 1 Midlands league.

With many new players and the arrival of Assistant Coach Sarah Richardson, the team rebuilt quickly. They narrowly missed immediate promotion on goal difference to Sporting Khalsa but later secured promotion back to Tier 3.

In the 2024–25 season, Lightning went unbeaten and finished eight points clear at the top of the table. They also won the Leicestershire and Rutland Senior Cup with a victory over Leicester City.

For the 2025–26 season, Loughborough Lightning returned to Tier 3 in the FA Women's National League Premier Division North. With most of the squad returning and new Assistant Coach Katie Sorenson joining after Sarah Richardson's move to Stoke City.

A tough first season back in Tier 3 saw Lightning secure their status in the league on the final day of the season with an emphatic 6-0 victory over Sporting Khalsa.

Lightning now go into the 2026-27 campaign looking to build on the foundations set in their first back at Tier 3.

Educating & Validating Children Through Play & Football

TURN AND FACE
ALTERNATIVE EDUCATION THROUGH FOOTBALL

What's the Game Plan?

Not all children thrive in traditional education, and we understand that. Our mission is to support schools and Local Education Authorities (LEAs) in providing every child with the education they deserve.

Before children can truly engage with learning, they must first build self-identity, self-esteem, and confidence in their abilities. **TURN AND FACE** offers a unique way to foster this confidence, through football, mentorship, and fun. By creating trusting relationships with supportive adults and focusing on what children can do rather than what they can't, we help them develop the confidence to tackle challenges, whether it's maths, English, or the offside rule!

Our Partnership with Rugby Borough FC

Through our collaboration with Rugby Borough FC, we offer:

- Access to professional-level training facilities
- Coaching from inspiring female athletes who have achieved incredible goals
- A chance for children to feel valued and empowered
- Role models who prove that "yes, you can!" no matter the challenges life throws your way

To be part of the team

Contact: **Max** at **max.turner@rbwfc.co.uk** and reserve your place or chat about how we can help your young person

Fixtures

- Small group sessions (max. 6 children to 2 coaching staff)
- Mixed-gender and girls-only sessions available
- One-on-one support when needed
- Fully inclusive, disability is no barrier

TURN AND FACE!

This programme isn't about football ability, it's about helping children realise their potential and building meaningful connections with supportive adults.

What do participants receive?

- Rugby Borough FC training gear, just like the pros!
- Mascot experiences and half-time presentations
- Free match tickets to games

There will be challenges along the way, but just like the children, even the best players and coaches face struggles too. Learning to overcome them together is what makes us stronger.

Empowering the Next Generation

By focusing on validation, positive engagement, and resilience, we help young people develop the confidence to succeed, both on and off the pitch.
