CAPTAIN

We're excited to be back at home and to see all our fans for the second time this season as we take on Norwich. The turnout for our home opener against Peterborough was fantastic, and it was great to reward that support with a clinical 5-0 win. It was exciting for the fans to finally see new signing Millie between the posts, along with first-team debuts for Sham and Jess, who have been working hard to earn their place in the squad.

As a squad, it's been a busy three-game week with plenty of time spent recovering, taking on tactical information, and putting in work on the pitch. We had a great win away at Derby, which is always a tough place to go. Securing another three points on the board gives us even more confidence as a collective, and we can take a lot of positives from that performance into our next two fixtures against Leicester PGA and Norwich. We're excited to welcome Norwich, especially as they're a new addition to the league and this will be our first time playing them. Personally, it's a special moment for me — getting the chance to play against the club where I began my football journey!

We're looking forward to another great atmosphere at home and can't wait to see everyone cheering us on. Your support makes such a difference, and we'll be giving everything out on the pitch to finish strong and make you proud. Thank you for being with us every step of the way this season — let's make it another memorable one together!

Norwich City Women

ABOUT THE CLUB

Norwich City Women currently play in the FA Women's National League Northern Premier Division; the third tier of English women's football, under head coach Perry Northeast.

The Canaries were formed in 1998 when local rivals Norwich Ladies and Norwich Racers joined forces. The former team are still the only Norwich side to have lifted the FA Cup trophy, which was won in 1986 after a dramatic last-gasp winner against the favourites, Doncaster Belles.

The club moved to its current home ground The Nest in the 2020/21 season, after moving out of the previous home of Plantation Park.

The 2021/22 season saw the club formally integrate into the men's first team under the guidance of executive director Zoe Webber. This strategic move saw overall operation and control of the Norwich City Women teams brought in-house with the aim of driving further development and progress in this area.

The appointment of general manager Flo Allen has provided structure and organisation to the club, supporting the squad on a day-to-day basis.

The Canaries have collected plenty of silverware to their name, including seven Norfolk County Cup trophies, last won in 2024 after a 6-0 final win over Wroxham Women.

The club were particularly proud to follow the 2022 Women's Euros coverage, especially of Norfolk-born Lauren Hemp, who started her youth footballing career under the guidance of Norwich City Girls Centre of Excellence.

The 2025/26 season saw Norwich City Women secure promotion to Tier 3 in dramatic style with a penalty shootout win against Moneyfields Women in the FAWNL Southern Division One play-off final.

WE'RE VERY EXCITED TO ANNOUNCE

TURN^{AND} FACE

ALTERNATIVE EDUCATION
THROUGH FOOTBALL

Educating & Validating Children Through Play & Football

What's the Game Plan?

Not all children thrive in traditional education, and we understand that. Our mission is to support schools and Local Education Authorities (LEAs) in providing every child with the education they deserve.

Before children can truly engage with learning, they must first build self-identity, self-esteem, and confidence in their abilities. **TURN AND FACE** offers a unique way to foster this confidence, through football, mentorship, and fun. By creating trusting relationships with supportive adults and focusing on what children can do rather than what they can't, we help them develop the confidence to tackle challenges, whether it's maths, English, or the offside rule!

Our Partnership with Rugby Borough FC

Through our collaboration with Rugby Borough FC, we offer:

- Access to professional-level training facilities
- Coaching from inspiring female athletes who have achieved incredible goals
- A chance for children to feel valued and empowered
- Role models who prove that "yes, you can!" no matter the challenges life throws your way

To be part
of the team

about how we can help your
young person

Fixtures

- Small group sessions (max. 6 children to 2 coaching staff)
- Mixed-gender and girls-only sessions available
- One-on-one support when needed
- Fully inclusive, disability is no barrier

TURN AND FACE!

This programme isn't about football ability, it's about helping children realise their potential and building meaningful connections with supportive adults.

What do participants receive?

- Rugby Borough FC training gear, just like the pros!
- Mascot experiences and half-time presentations
- Free match tickets to games

There will be challenges along the way, but just like the children, even the best players and coaches face struggles too. Learning to overcome them together is what makes us stronger.

Empowering the Next Generation

By focusing on validation, positive engagement, and resilience, we help young people develop the confidence to succeed, both on and off the pitch.
