Lee Burch

HEAD COACH

Welcome everyone to Rugby Borough FC for today's FAWNL Cup fixture, and a very warm welcome to the players, staff and supporters of Leicester City PGA. We hope everyone connected with the club enjoys their visit and has a safe journey home afterwards.

It has been a really positive start to the season for us, with back-to-back wins and two clean sheets from our opening fixtures against Peterborough and Derby. They were two very different games, but I was pleased with the way the players approached both challenges and showed the quality, discipline and resilience that we have been working hard to develop.

Across the two matches, we have created a lot of opportunities and controlled large periods of both games. The difference was ultimately taking our chances when they came. Against Peterborough, we were clinical when the opportunities came our way, whereas against Derby we had to work harder for the result. That is an important lesson for us as we continue to improve.

Credit must go to the players and staff for the work they have put in throughout pre-season and into the opening weeks of the campaign. It is never easy to build a new season, establish standards and get everyone working towards the same goals, but I feel we are beginning to see the benefits of that hard work.

Today brings a different challenge in the FAWNL Cup as we welcome Leicester City PGA. We know relatively little about our opponents, but we expect them to come here determined to play good football and compete. Cup football can bring its own challenges, and we know we will have to be at our best, show the same intensity and application we have shown in our opening league fixtures, and make sure we give ourselves the best possible opportunity to progress.

Enjoy the game, and thank you for your support.

LCFC Women Academy

ABOUT THE CLUB

The LCFC Women Academy Pathway aims to promote both participation and elite talent development in Leicestershire, uniting connected stakeholders in the region under one programme for the long-term improvement of the women's game.

More than half of LCFC Women's Barclays Women's Championship promotion-winning squad of 2020/21 were home-grown in Leicestershire and the progress of the professional women's team is supported by a long-term strategy of the game's growth in the region, of which the LCFC Women Academy Pathway is a central feature.

In 2021, the Leicester City Girls' merged with LCFC Women's Academy to create a complete pathway from Under-9s through to post-16 and professional football.

The integrated pathway continues to progressively build an accessible route for outstanding talent into full-time football in Leicester.

All LCFC Women football operations are based at the Club's elite training facility at Belvoir Drive in the heart of the city, providing seven grass pitches, an indoor pitch, floodlit 3G pitch, performance gym, leading medical facilities and analysis and education rooms all on site, one of the best-equipped female-only football facilities in Europe is the setting for all academy training and home matches.

WE'RE VERY EXCITED TO ANNOUNCE

TURN^{AND} FACE

ALTERNATIVE EDUCATION
THROUGH FOOTBALL

Educating & Validating Children Through Play & Football

What's the Game Plan?

Not all children thrive in traditional education, and we understand that. Our mission is to support schools and Local Education Authorities (LEAs) in providing every child with the education they deserve.

Before children can truly engage with learning, they must first build self-identity, self-esteem, and confidence in their abilities. **TURN AND FACE** offers a unique way to foster this confidence, through football, mentorship, and fun. By creating trusting relationships with supportive adults and focusing on what children can do rather than what they can't, we help them develop the confidence to tackle challenges, whether it's maths, English, or the offside rule!

Our Partnership with Rugby Borough FC

Through our collaboration with Rugby Borough FC, we offer:

- Access to professional-level training facilities
- Coaching from inspiring female athletes who have achieved incredible goals
- A chance for children to feel valued and empowered
- Role models who prove that "yes, you can!" no matter the challenges life throws your way

TURN AND FACE!

This programme isn't about football ability, it's about helping children realise their potential and building meaningful connections with supportive adults.

What do participants receive?

- Rugby Borough FC training gear, just like the pros!
- Mascot experiences and half-time presentations
- Free match tickets to games

There will be challenges along the way, but just like the children, even the best players and coaches face struggles too. Learning to overcome them together is what makes us stronger.

Empowering the Next Generation

By focusing on validation, positive engagement, and resilience, we help young people develop the confidence to succeed, both on and off the pitch.
